## SUBJECTS

### Accreditation and standards

- APA statement supports each profession's right to set its own standards, Mar 181
- Joint commission seeks psychiatrist-surveys for psychiatric facilities, Nov 792
- National certification program initiated by American Nurses' Association, Oct 722
- A review of accreditation requirements for hospital safety, May 341
- Series of seminars on program evaluation is scheduled by MH groups, May 350

### Achievement awards

- Applications invited for 1974 awards, Oct 682
- Gold award: a continuing-education program for mental health professionals—Center for Training in Community Psychiatry, Los Angeles, Oct 683
- Gold award: a state association for teens interested in mental health and mental retardation—Kentucky Mental Health

- Manpower Commission, Louisville, Oct 687
- Gold award: television as a tool in primary prevention—Ohio Department of Mental Health and Mental Retardation, Columbus, Oct 691
- The 1973 APA achievement award winners, Oct 682
- Activity therapies.** Also see Rehabilitation, vocational and other; and Work therapy, sheltered work.
- Graffiti therapy, May 339
- Green Berets aid mentally handicapped in North Carolina, Dec 808
- Library staff survey reading preferences of hospital inpatients, Nov 750
- Measuring the success of a camping experience for chronic patients, Aug 530
- Poetry therapy helps patients express feelings, June 387
- A program for deaf mental patients, Jan 40
- Resolving a crisis in the activities therapy department, Apr 225
- Retarded students at Texas state school learn to read music, Feb 79
- Administration and organization.** Also see Closing of facilities; Costs and cost analysis; and Financing.
- The able-stable model: an approach to building effective mental health teams, Dec 845
- Breaking from tradition in a small mental health center, July 472
- Computer-assisted program administration in Texas psychiatric hospitals, Jan 27
- Developing a social service department in a rural general hospital, Dec 842
- Mental health center management: an exercise in eighth-grade arithmetic, Dec 834
- The mental hospital in the era of human services, July 467
- NIMH reorganization, administration health plan announced at 25th institute, Dec 851
- Ombudsmen for patients at a mental health center, Oct 680
- On the need for a closed ward in an open hospital: the psychiatric intensive-care unit, Dec 829
- The open-door policy: a rational use of controls, Feb 81
- Pennsylvania physicians vote to join labor organization, Jan 60
- Personal styles of program implementors: a case study in community mental health failure, June 406
- Programming-planning-budgeting system (letter), Apr 256
- Resolving a crisis in the activities therapy department, Apr 225
- Systems replace departments in California's consolidation of health-service functions, Oct 726
- Unifying state hospital and local services to prevent or shorten hospitalization, July 487
- The unit system: current staff attitudes and future directions, Aug 539
- Adolescent psychiatry.** See Children and adolescents.
- Aftercare.** Also see Partial care.
- Hospital takes group therapy to released alcoholics in distant community, Apr 221
- Improving scheduling and reducing costs of psychotropic drugs for outpatients, Aug 556
- Informal coffee group benefits patients at outpatient clinic, Jan 7
- Liberal telephone policy in treatment and aftercare helps reduce readmissions, Feb 71
- Personal styles of program implementors: a case study in community mental health failure, June 406
- The state pharmacy's role in an aftercare program, Dec 807
- Using inpatient staff for aftercare of severely disturbed chronic patients, July 482
- Alcoholism**
- An analysis of racial differences in services to alcoholics in a Southern clinic, Aug 547
- California is top recipient of federal grants for alcoholism programs, Aug 566
- Developing behavior modification programs with emphasis on self-control, June 410
- Hospital takes group therapy to released alcoholics in distant community, Apr 221
- Marijuana commission says alcohol is nation's biggest drug problem, Sept 637
- NIMH reorganization, administration health plan announced at 25th institute, Dec 851
- Television show helps change staff attitudes, Mar 141
- Tennessee extends insurance benefits to cover alcoholism, Nov 792
- Training program teaches volunteers to work with alcoholics, Jan 10
- Using fructose in the treatment of delirium tremens, Dec 808
- American Psychiatric Association activities.** Also see Achievement awards; and Institute on Hospital & Community Psychiatry.
- APA honors Dr. Tarjan for distinguished service to field of psychiatry, July 498
- APA, other organizations file suit to recover impounded mental health funds, Dec 854
- APA report declares private-practice system must be preserved, Oct 718
- APA statement supports each profession's right to set its own standards, Mar 181
- Characteristics, activities of nation's psychiatrists are analyzed in APA report, Nov 790
- Children's art exhibit at APA museum, June 426
- Dr. Alfred Freedman takes office in Honolulu as 102nd APA president, July 498
- Dr. Gurel chosen to direct APA's manpower division, Mar 182
- Dr. Wilmer is new chairman of editorial board, July 501
- Architecture, design, and construction**
- Architecture exhibit on environments for the retarded, Oct 722
- Hospital fires: preparing staff before one starts, Jan 36
- Ohio launches humanization program in state facilities, Mar 182
- A review of accreditation requirements for hospital safety, May 341
